

ADDRESS OFFICIAL COMMUNICATIONS TO
THE SECRETARY OF STATE
WASHINGTON 25, D. C.

DEPARTMENT OF STATE
WASHINGTON

In reply refer to
VD 811.111 Schulte, Eduard

Quinn
September 5, 1947

Dear Allen:

I refer to your letter of July 29, 1947.

The cases of Dr. Eduard Schulte and Hans Bernd Gisevius have been cleared by the Department and the messages to this effect should now be in the Consul's hands. However, if, as it appears, Gisevius is not able to leave Switzerland because of charges pending against him in that country the Consul would not be able to act on his case.

It was good to see you in Washington recently and I have acted on your advice that I should write to Miss Emma Lansing. I have received a nice reply from her and I thank you for the advice.

With kindest personal regards always, I am

Sincerely yours,

Robert C. Alexander
